

About	I am a person with a bright aura who can improve any work environment, always with a smile on my face and willing to learn whatever is necessary. I see my curiosity and ability to learn as my biggest assets, and combined with my easy-going personality it makes me the perfect person for the job Fluent in English and limited working proficiency in Spanish.	
Experience	October 2025 - Present <i>Webdesigner/ Webdeveloper, VERA E, LDA</i> Started out as an intern, but moved to a permanent role. Designed and developed websites using Wordpress and Elementor, with proficiency in HTML, CSS, Javascript and PHP. February 2025 - July 2025 <i>Marketing Intern, THOWRA, LDA</i> Professional Internship (IEFP). I was in charge of a project called Firefly and it's launch in Portugal and Europe. Between many things, I: Launched an Indiegogo campaign; Optimized the website (SEO) and its structure. Managed all social media platforms. Planned an international fair participation (EUROBIKE) Updated the Website with new content (website made in Laravel) February 2023 - July 2023 <i>Marketing Intern, XTREME PT</i> Curricular internhsip where I managed the TikTok page for XTREME, tracked website statistics and elaborated reports, helped start a influencer marketing campaign and produced some content for other social media platforms such as Instagram and Facebook.
